## Where does 'Respect, Inspire and Achieve' feature in our curriculum?

### Vision

To ensure that all young people, regardless of their background, achieve their best in a safe, secure, caring yet challenging learning environment where all of our students are inspired to respect others. To develop their talents and to raise their aspirations to leave school with the academic, social and practical skills to lead a successful, happy and responsible life.

<b>RESPCT</b>	Politeness, honour, and care shown towards someone or something that is considered important (OED) Consider: Respect for other people, beliefs, culture, behaviour, learning, the environment...
7, 8 & 9	Performance to peers. Culture and tradition within musical genres and styles. Analysing issues through music. Self-reflection and regulation.
<b>INSPIRE</b>	The desire, confidence, or enthusiasm to do something well (OED) Consider: Aspirations, future learning/ study, how to improve, target setting to achieve goals...
7, 8 & 9	Promoting a love of musical understanding. Understanding and skills development of a range of instruments. Spotlight on musical artists and performers. Use of music technology.
<b>ACHIEVE</b>	To succeed in reaching a particular goal, status, or standard, especially by making an effort for a long time Consider: Achieve targets, improving work/ grades...
7, 8 & 9	Practical and theoretical Assessment with a focus on the building blocks of music. Developing new skills.
